

## NEWS RELEASE

**Eriez® 5-Star Service Center Extends the Life of Eddy Current Separators**

Eriez®, world authority in advanced technology for magnetic, vibratory and inspection applications, now handles upgrades and servicing on Eddy Current Separators at the company's 5-Star Service Center. The Center is located in Lake City, PA. and is staffed with trained service technicians to expertly handle even the toughest service projects.

[Eddy Current Separators](#) last longer and run more efficiently with routine maintenance and repair. The Eriez' 5-Star Service Center keeps this equipment running smoothly by repairing shaft end damage, replacing hubs, bearings, shell and wrap and balancing the rotor to operate at a peak 2,500 RPM. After servicing work is complete, technicians test the Eddy Current Separator and certify before shipment back to the customer.

"Our team is ready to do whatever it takes to address customers' issues and limit costly downtime of their Eddy Current Separators," said Jim Lasko, Eriez' 5-Star Service Center Manager. "We utilize

original OEM parts, remanufacture equipment to original specifications and offer 'as new' warranties."

Eriez also has service technicians available for in-house repairs and routine maintenance checks. "We understand that sending the equipment to our 5-Star Service Center is not always a viable option, so Eriez will come to you, even on short notice," said Dave Hansen, Eriez' Customer Service Manager.

Besides Eddy Current Separators, the 5-Star Service Center upgrades and maintains other Eriez equipment, including both manual and self-clean [Suspended Electromagnets](#), Lift Magnets, Wet Drums, Scrap Drums, Vibratory Feeders and Metal Detectors.

Eriez stores several years of equipment records to help expedite servicing. Eriez' 5-Star Service also offers customers Instruction and Operation Manuals (IOMs) on the above equipment, parts lists and step-by-step troubleshooting procedures.

For an immediate estimate or more information on Eriez' 5-Star Service, customers can call the service hotline at 1-888-300-ERIEZ.

Eriez is recognized as world authority in advanced technology for magnetic, vibratory and inspection applications.
